

Hi all OK sailors,

We from Faaborg Sejlklub are very pleased to be hosting your EM. As Commodore for the club and Race Committee Chairman I would like to tell you what you can look forward to when you come to Faaborg in week 30.

OUR THOUGHTS REGARDING THE REGATTA

We wish that all enjoy a fantastic week both on the water and not least on land.

We aim not just arrange a EM but arrange an event that, of course, puts emphasis on you, the sailors but will also offer the possibility for you to bring your families to Faaborg.

There will be numerous activities on land during the whole week of the regatta.

The races will come very close to land – but if spectators wish to get even closer we arrange spectator boats during the whole of the regatta.

INVITE YOUR FAMILY AND FRIEND TO FAABORG

– WE WILL ENSURE THAT THEY
ENJOY A FANTASTIC EXPERIENCE.

WE WISH TO SHOW OK
SAILING FOR EVERYONE.

ON THE WATER

The race courses will lie in Faaborg Fjord. That is to say it will only take 15 minutes to sail out to the course. Faaborg Fjord can be a challenging place to sail – but luckily it is the same for everyone and we have experienced race officials that will not compromise on quality with regard to arranging the races.

ON LAND

The regatta location will be centrally placed at Faaborg Harbour by the "Havnebadet". Dinghies will use the slipway at the sailing club.

During the daytime the area near the "Havnebadet" will be buzzing with activity. In addition to the possibility to follow closely what is happening during a race, a number of different maritime activities are planned.

for example:

- Tours on the water on board sail boat
- See the local fish and catch crabs
- A large TV screen following the races on the water with a commentator
- Sail on land with "Blokarts"
- SUP (Stand Up Paddle Board) sailing
- Various maritime demonstrations
- Sale of food and drink

THERE WILL BE LIVE MUSIC,
PRIZEGIVING EVERY DAY AND "MOLEØL"
(BEER ON THE JETTY)
AT THE REGATTA LOCATION AFTER THE
END OF THE DAY'S SAILING.

SAILING AROUND FYN WITH THE FINE WOODEN SHIPS.

The race around Fyn "Fyn Rundt for Bevaringsværdige Skibe" (older ships worth preserving) is one of Denmark's largest summer events. Every year in week 30, 30 - 40 wooden ships sail all the way around Fyn. They arrive in Faaborg on Thursday 27th July and the harbour will buzz with life.

THE TOWN AND ITS SURROUNDINGS

Faaborg is a municipality with 7.000 inhabitants on the south coast by Faaborg Fjord. The town is the largest in Faaborg-Midtfyn County. Faaborg lies idyllic between a number of hills and the sea with many small islands that make up the Fynske Øhav. The town has many well preserved old buildings and a well preserved environment in the center of the town. Svanninge Bakker (hills) just north of the town are well worth a visit and if anyone wishes to improve their physical condition before or during the regatta there are good possibilities to ride mountain bike.

ACCOMMODATION

It is possible to stay overnight in a tent, car, boat or car-avan near the regatta location. In addition there are numerous possibilities for accommodation possibilities in Faaborg. Check this link: www.visitfaaborg.com (the link is also on the event website).

WHY? AND DO SPREAD THE RUMOR.

We are determined to host a regatta that will be remembered for many years to come. But we cannot do that without you sailors. So sign in and spread the rumor to all your OK friends.

A WORLD CLASS FAIRY TALE

2017 FAABORG DENMARK
