

July, 8. 2017.

Hello all sailors

We are getting closer to the Europeans in Faaborg Sejlklub in the last week of July and hopefully many of you will bring your families too.

For us to prepare everything the best way for you, we would like to receive *information from you* about the below mentioned issues:

- 1) *Are you planning to camp on the harbor area – in camper, tent or caravan ?*
- 2) *Are you attending alone or how many persons will join you ?*

We have the opportunity to rent out 10 nice new caravans for the price of 1.000 Euro for the whole event period. If you wish to rent a caravan please let us know as soon as possible.

*For guests coming together with you to the event we can offer:*

- *Access to all meals the whole event period for a price of DKK 800,- (no drinks included – must be bought separately)*
- *Pricegiving dinner Saturday for a price of DKK 250,- (no drinks included – must be bought separately)*
- *Children up to 12 years – half price – (DKK 400,- and DKK 125) (no drinks included – must be bought separately)*

As mentioned above the information would be of great help for us planning everything for a hopefully perfect week in Faaborg. Therefore please provide your information on:

..... as soon as possible – We thank you in advance.

If you have any questions or other things we can help you with – feel free to contact us.

We are looking forward to seeing you all in Faaborg.

Best regards

*Jakob Frost and Gudrun Harboe*
